Complaint

Comes Now the Plaintiff, Jonathan Lee Riches©, in pro-se, moves under 42 USC 1983, Defendant's plan to break into my mind, and burglerize my brain, Liddy is going to take my neurons, and damage my stemcell. Only Defendant's have the keys to my mind, They want to plant bugs and west nile virus in my head. I will be subjected to major brain melt downs at FCI williamsburg. I'm a life long Liberal independent, Defendant's want to Know what I'm thinking. I seek a Restraining order with protection from being abused. I seek $50 million in damages.
